DESIGNED IN THE NORTH.
LOVED EVERYWHERE.

Inspired by Nordic winters, made for year-round comfort around the globe.
ManyMonths Natural Woollies are thoughtfully created for slow fashion
and long-term wear, with timeless, functional design.

Designed for adventure. Made for motherhood.

Designs for today, tomorrow and next month, even next year.

Natural Family Woollies Collection 2025–2026

manymonths®

NATURAL
WOOLLIES

Machine washable.
Natural UV-protection.
Super soft and breathable.
High comfort and shape retention.
Temperature regulating and moisture wicking.

manymonths®

ManyMonths®

→ for the growing child

ManyMonths® Woollies grow along your child, transitioning and adapting from month to month, and even years. Newborns, toddlers, and young children lack body fat and have a smaller body size. They can lose heat/overheat and need help with regulating their body temperature. Use Natural Woollies for comfort and optimal warmth.

MaM®

MaM® (Mommy and Me)

→ for women

Designed especially with mothers in mind. Inspired by the idea of a minimalist capsule wardrobe, both in stunning colours and in black. Multi-functional, timeless pieces for everyday use, through transition periods, and the wonderful times of pregnancy and breastfeeding. Also a traveller's dream – pure merino wool is almost odourless, and has self-cleaning properties.

MaD™

MaD™ (Me and Daddy)

→ for men

The men in our families deserve to stay warm and comfortable too! In this catalogue, we're featuring accessories also designed with men in mind, while MaD™ Woollies Thermal Long Sleeve T-Shirts and Thermal Pants are available for ordering at MaMidea.com. Stay warm and enjoy the outdoors together.

Natural Family Woollies Collection 2025–2026

A WORTHWHILE INVESTMENT IN QUALITY & LONGEVITY

ManyMonths Natural Woollies are designed for the long run — crafted with care, built to last, and made to be loved through seasons and passed down to siblings.

Unlike many brands that buy standard fabrics, we custom-make our own Expedition-weight merino wool (380 g/m²) — a heavier, more resilient, and more expensive fabric than most brands use. The result? More warmth, greater durability, and a longer lifespan.

WHAT MAKES MANYMONTHS DIFFERENT?

MORE MERINO WOOL, MORE WARMTH & DURABILITY

ManyMonths Woollies are made with a high-quality, flexible rib knit that allows freedom of movement while keeping little ones cosy in all seasons. The fabric is designed for longevity, maintaining its beauty and functionality for months and years of use.

SEWN-ON SNAPS FOR EXTRA STRENGTH

Unlike most brands that use pressed-in snaps, we use custom-ordered sewn-on snaps, significantly reducing the risk of fabric tearing. The fabric is reinforced around the snaps, making them sturdier, longer-lasting, and more secure for repeated adjustments.

CLEVER SOLUTIONS FOR REAL LIFE

ManyMonths is designed with adventure in mind. Thoughtful features like reinforced hemp/organic cotton knee patches provide extra durability for active children, while pockets add practicality and joy. These small details require more work in production but make a real difference in usability.

SLOW FASHION THAT GROWS WITH YOUR CHILD

ManyMonths garments are designed to adapt as children grow, replacing multiple sizes. Instead of fast fashion, you're investing in a high-quality piece that fits across seasons and siblings, offering both sustainability and long-term value.

From wool selection to finished garment, ManyMonths Family Woollies are made to be lived in, loved, and passed on.

"True sustainability is wearing what you love, for as long as possible."

OEKO-TEX® STANDARD 100, Class I – Certified Safety from Fabric to Details

Our merino wool fabric is certified OEKO-TEX® STANDARD 100, Class I, meaning it has been rigorously tested for over 300 harmful substances and is safe for direct skin contact. This is the strictest safety level, originally designed for babies up to 3 years old, but we apply the same high standards to all children and adults.

Why does Class I matter?

- Safe for sensitive skin – No harmful residues, making our Woollies perfect for everyday wear.
 - Certified for direct skin contact – Tested annually for heavy metals, formaldehyde, pesticides, and hundreds of other unwanted chemicals.
 - Safe for a little taste – Babies and toddlers explore the world with their mouths — our Woollies fabric remains safe even when chewed or sucked on.
 - Covers accessories too – The certification applies not just to the fabric but also to the threads, labels, elastic, snaps, and buttons.
 - Hypoallergenic & breathable – Naturally gentle, reducing irritation risks for all ages.

TESTIMONIALS BY MANYMONTHS FAMILIES

The power of the slow fashion movement lies in every choice we make, every story shared, and every garment cherished. Together, as a community, we shape the future for our children — a future where quality, sustainability, and longevity matter. Every voice, every experience, and every ManyMonths family is part of this journey — thank you for being here. ❤️

“ I absolutely love this small business and their thoughtfully designed, high-quality pieces!

For Kids:

LEGGINGS & LONG-SLEEVE TOPS – So versatile, soft, and warm! The grow-with-me design is genius. In winter, we use them as pajamas, baselayers, and even under summer dresses.

ELEPHANT HOOD – The adorable ears add extra cuteness, while it keeps the head, ears, neck, and back warm and cosy.

HEART POCKET DRESS – Warm, comfortable, and stylish with the cutest pockets for little treasures.

CARDIGAN WITH ADJUSTABLE SLEEVES – Lasts forever thanks to three different sleeve lengths—such a smart design!

LONGIES – A must-have for babies to keep their tummy and back warm. Pairs perfectly with the Body/Shirt!

BODY/SHIRT – Grows with baby thanks to cuffs and two rows of snaps. The removable crotch piece is so handy for diaper changes—truly amazing!

For Women:

LEGGINGS – Super soft, warm, and the adjustable waist is perfect!

MOTHERHOOD TUNIC – This is my absolute favorite piece! It's stretchy and warm during pregnancy, perfect for breastfeeding with its easy & stylish nursing access, and still looks amazing post-partum. I wear it all winter with leggings and boots!

BUTTON-UP CARDIGAN – A versatile, year-round piece. I love that the wool isn't treated with superwash, keeping its natural properties.

LONG CUFF MITTENS – The warmest mittens ever! The double-layer merino keeps my hands toasty—even through Minnesota's coldest winters.

I can't recommend these pieces enough! Beautiful, practical, and made to last ❤️.

“ Double **LONGIES** in Adventurer Plus size (1-4 years) are pure gold! My son just got out of them, and my daughter takes to wear! Most comfortable and warm! I think several generations of children can wear them and feel the warmth and the supreme quality! I have no words! The design makes them perfect for outside adventures and they are so easy to clean ❤️.

—Oxana, mum of two, France

“ My favorite is the **ROMPER PLAYSUIT!** I love it because it fits over cloth diapers and grows with the child. It's my must-have for newborn and toddler. I like to put it on when we go outside in the baby carrier because it covers the back.

—Maby-Martyna, mum of six, Poland

Natural Family Woollies Collection 2025–2026

WOOL SHORTIES ♥

The perfect wool pants for children to wear over cloth diapers at night. Can be used over a long period of time thanks to the stretch and keeps the baby comfortable all night long!

ELEPHANT HOOD WITH PUPPY EARS ♥

Fits perfectly and keeps the head and neck warm and cosy even during the coldest days. Not to mention the added cuteness factor, the preschool teachers all praise it!

--Linnea, mum of one, Sweden

My favorites are the Natural Woollies **BODY/SHIRTS**.

They are so versatile and wearing this first layer of wool really helps the baby regulate the temperature. It's perfect to avoid excessive clothes in our weather here in Portugal.

--Dulce, mum of two, Portugal

Woolen children's clothes changed my approach to fashion, I started buying fewer clothes that children wear for longer. Wool has great properties, so I was always sure that the baby was at the optimal temperature.

The woolen bodysuit (**BODY/SHIRT**) was my discovery, the baby was starting to crawl, and in the autumn and winter season the floor was cold all the time. A year later, my daughter wore the same bodysuit in the next season.

--Karolina, mum of three, Poland

The most popular items from ManyMonths and MaM are **LEGGINGS** and **ELEPHANT HOOD**. For me, for my kids, for my customers. The Leggings and Elephant Hood are in our life more than 16 years. Both it's cosy, fit and very warm in winter.

My discovery from last year was **LONG FINGERLESS MITTENS**. I love it. I wear them a lot of time. Our daughter likes them too.

There are many other items I adore: **WRAP CARDIGAN**, **ROMPER PLAYSUIT**, **BODY** and others. ManyMonths and MaM will be in our hearts forever.

--Monika, mum of three, Czech Republic

ManyMonths Natural Woollies **ELEPHANT HOOD** is our

favorite children's accessory and was the first ManyMonths garment in our family. An absolute must-have for us! All three of our children have worn this hood. The Elephant Hood stays in place on both newborns and school-aged kids. Merino wool adapts to all weather conditions, and the colors are simply delightful.

ManyMonths Natural Woollies **KIMONO BODY/SHIRT** with Foldover Sleeves is a delightful and easy-to-wear garment, perfect as a newborn's first outfit. Absolutely love it! The foldover sleeves and adjustable body make it easy to fit even the tiniest babies. It provides warmth during the first months, no matter the season. And when the body becomes too small, the kimono can still be used as a separate shirt. Truly one of the most versatile ManyMonths garments!

ManyMonths Natural Woollies **UNISEX LEGGINGS WITH KNEE PATCHES** are perfect for little adventurers always on the move! The reinforced knee patches add extra durability, making them ideal for active play.

ManyMonths is a great fit for our family because sustainability and high quality matter to us. And most importantly – these clothes are made to last, passing down from one sibling to the next.

--Ruut, mum of three, Finland

Natural Family Woollies Collection 2025–2026

“ I wear your MaM **ALL-TIME LEGGINGS** under my normal trousers and some other wool it's incredible. I was always so cold and now I'm warm.

--Monika, mum of one, Poland

“ Our favorite and most use item from ManyMonths is the overall (**ONE PIECE SUIT**), my first born has used it for about 4 years, all seasons (except summer). We use it as an intermediate layer when it is really cold, I love it while babywearing and in the car seat (it keeps the kids warm enough without overheating and it isn't bulky so that the children can stay safe in their seats). We also use it as the outer layer in spring and autumn and we absolutely love it.

The overall was the first ever garment we have bought from you, after that we fell in love with the Woollies, and the Hempies, all the Summer Hempies Hats, the MaM Woollies which I adore and are comfortable both in pregnancy and postpartum, one of my all time favourite: **LEGGINGS** for me.

We have tried the majority of your products, except the new items from the last collection, but planning to order them soon, I can honestly say my children and I, we love them. The clothes are comfortable and warm, easy to clean and fix, the Hempie Hats are magnificent, they protect from the sun and the head doesn't overheat, no sweating, and the fact that they are adjustable it is a great feature. We all have big heads in our family and I can use the adult size and make it a bit smaller for my children if they haven't got theirs.

One more important thing is that you have the **REPAIR KIT**, which is great, it has all it needs to fix the clothes, and I have used the kit to repair all the wool clothes that my children have.

Thank you so much for the very thoughtful way of making wool clothes for our children and us, the fact that they are suitable for more sizes, that the material is resistant, warm, comfortable, and doesn't need washing all the time makes them perfect for children, because they need the freedom to move and to feel warm.

--Alexandra, mum of two, Romania

“ Since I have my puppy, I go out with him at least once every night. To make it easier for me, I bought the Woollies from Mamldea. I sleep in them every night - they are warm, cosy and don't itch. And when the little one has to go out, I'm already dressed and

don't freeze. Last week, when we were all ill and had a fever, the pants have served me well. Even when you sweat, the fabric doesn't feel wet. The great thing about this material is that you don't have to wash it often, the wool cleans itself when you hang it up to air during the day.

The pants really were the best decision for puppyhood and I'm now going to buy a second pair ❤️.

--Miriam, mum of three, two children and a furry one, Germany

“ The very first favorite item from ManyMonths is definitely the **ZIPPED HOODIE!** It's very versatile, you can wear all year long, from spring with only a blouse underneath, to chilly summer nights when you can wear it with a t-shirt, to winter days when you can also use the hood to feel even more protected.

Our second most loved item are the hats, especially the Dino ones! We've had them for several years now, they fit perfectly and they're a must have almost all year long, except in the summer time. Our favourite part from them is that they protect not only the ears, but also the neck!

Our third most loved items, discovered now, for the second baby, are the overalls (**ONE PIECE SUIT!**)! It's very easy for a pre-walking baby who doesn't want to sit in just one place, to be comfy & warm in just a few seconds!

Loving every single piece from the ManyMonths family, I could write a whole book about our love for them!

--Laura, mum of two, Romania

Natural Family Woollies Collection 2025–2026

For us, every ManyMonths garment has been a valuable part of our wardrobe. We are constantly on the move, living in a truck where storage space is limited, so we truly appreciate high-quality, long-lasting clothing. ❤️

Pinzo spent her first year wearing a wonderful **ONE PIECE SUIT** with a zipper. I remember my mother asking if Pinzo didn't have any other clothes. Of course, she did, but this one was easy to throw on over other clothes in any weather. Nowadays, the suit has become too small, and we've moved on to the **DINO SET** (shirt and leggings), which is also made of wool. It fits well, is easy to put on, keeps warm, and provides protection.

The best thing about both outfits has been their durability and ease of care! Dirt doesn't stick to the fabric, and often, just airing it out has been enough. 😊

We are definitely the biggest ManyMonths fans. There are no better clothes!

--Jansku and Tuke, parents of 1-year-old Pinzo, Spain

ELEPHANT HOOD WITH PUPPY EARS, THE piece of clothing that has gotten us the most compliments! No one can resist commenting on this Elephant Hood with Ears when we are out and about. We have been using the same size for two years and counting!

DINO LONG SLEEVE SHIRT, This shirt makes my daughter beam with joy! She also proudly showing her dragon sleeves to everyone and it fits her brave personality 🐉

HEART POCKETS DRESS, The sizing on this dress is particularly flexible, I can see it fitting a lot of different body types for years on! It's on our weekly wool rotation!

LEGGINGS WITH KNEE PATCHES, My little one is quite small and I'm really happy about these leggings because they are tight fitting, but the sizing is flexible. The knee patches are a must for us.

WOOL SHORTIES AND LONGIES, As cloth diaper users, these shorts and pants have been our entryway into the world of ManyMonths and are favourites for good reasons. The same size can be used for years (even post diaper time 😊), the double layered wool makes it so we often do not have to use thermals under even in freezing cold Scandinavia. The adjustable waist was a revolution for me and the high waist will keep your babies core warm and cosy!

Writing these I realized a have a lot more pieces than I thought *haha*.

--Céline, mum of one, with a little on the way, Sweden

I have so many favourites, but I'll stick to just a few:
UNISEX LEGGINGS - the simple ones or the ones with knee patches

LONGIES - double leggings - aaaaaah, I so regret that these are made just for small children, I find them amazing and would love them in bigger sizes!

LONG SLEEVE SHIRTS AND PULLOVERS - simple or with elbow patches

ELEPHANT HOOD BALACLAVAS - simple or with ears

These are the MaM Design/ManyMonths products that I buy every year.

--Roxana, travelling mum of two, Romania

Your Woollies saved my baby last year and this year.

I only have my wood stove for my house and I invested in Woollies for winter, they've become an essential for my family.

In winter here we have 17/20°C in our house, never more. But with Woollies... no worries.

MANYMONTHS® SIZING

MIRACLE is a preemie baby, 44–50 cm. She was born somewhat before she was supposed to leave the warmth of the womb and needs especially tender and loving care. Organic materials and merino wool are really valuable for our Miracle, as the special properties of merino wool help with regulating body temperature, and keeping the little, skinny body warm. Wrap Miracle in a natural blanket and keep her close, move around, sing and she will grow stronger every day. A true Miracle – a wonder to watch.

NEWCOMER is 0–3/4 months of age and 50–56/62 cm in height. He is SOO cute! Great at sucking and keeping your finger in his hand. He has a gorgeous smile and a big voice. Makes different kinds of sounds already from 2 months of age. Looks at you with love. Can keep his head up at the end of the period. Growth is rapid and clothing that is size adaptable is a big advantage during this period.

CHARMER is 3–6/9 months of age and 62–68/74 cm in height. He has a beautiful smile and is practicing his voice. You can expect babbling and laughing. During this period he is becoming mobile, first rolling over, and later learning how to sit upright by himself. He puts everything in his mouth to explore – be careful with small objects. The first tooth often becomes visible during this period; get a dickie to keep the chest warm even when wet, and to save on laundry.

EXPLORER is 6–12/18 months of age and 68–80/86 cm tall.

He is crawling around exploring the floor and everything in reach – choose trousers with patches! He learns to put blocks in a cup and to turn the pages of a baby book. He can pick things up between the thumb and pointer finger, even small food pieces like peas and berries. He takes his first steps and learns how to use the spoon for feeding himself. Allow it to be messy. You can protect the clothing by putting an old adult shirt backwards.

ADVENTURER is 1–2/2,5 years of age and 80–92/98 cm tall. He is no longer a baby, but a toddler and much more mobile than earlier. He loves switches and knobs, and learns how to use his hands for coordinated activities like opening snaps. He has unlimited energy, imitates your behaviour, and is able to follow instructions. The Adventurer can already undress simple clothing by himself. A great age to introduce the MultiCape and the Zip Cardigan. Teach your Adventurer the pictorial ManyMonths labels, so he can help to pick and choose items of the appropriate size.

CONQUEROR is 3–4,5/5 years of age and 98–104/110 cm tall. She has a great sense of humour and is very active: jumps, runs, races, climbs, throws balls... all day long. She enjoys the company of her friends. And she asks questions, easy questions and difficult questions, embarrassing questions and fun questions. Might give you a new perspective on the world as well. The Conqueror can dress herself with a little help from you. Consider placing a wooden clothing rack for the core garments in your child's room.

INNOVATOR is 5–7/7,5 years of age and already quite tall: 110–122/128 cm.

He can count, cut with a scissor, catch a small ball, use a swing all by himself, and blink with just one eye. Innovators create their own complex rules when playing together, and the clothes they wear certainly make a difference. It's a time of active learning and it takes no time at all to learn new rhythms, rhymes, and lyrics. Mummy's little darling is growing up.

ENTHUSIAST is 8–10 years of age and growing fast: 128–134/140 cm. She is very active and has lots of energy. Socially and emotionally, this is a significant time period. Enthusiasts want to feel accepted and worthwhile, and like encouragement over competition. Joining groups and spending time with peers is very important, and the Enthusiasts are easily motivated and eager to try new things. Keeping warm and comfortable during all (new) outdoor hobbies is where ManyMonths® comes in.

LIONHEART is an evolving adolescent, 10–12/13 years of age and has grown to be 140–152/158 cm tall. The body changes rapidly at this age, growth spurts are common, and the brain needs time to adjust. Lionhearts gain increased reasoning abilities and are gradually beginning to grasp abstract concepts. They are trying to establish their individuality and are often distancing themselves from their parents, but still need mummy/daddy to wake them up in the morning and remind them to brush their teeth at night. Not to stick out is important to many and thus the Lionheart-sized clothing is based on essential, classic items. Family activities help Lionhearts develop a strong sense of self – enjoy the outdoors together!

OUR PARTNER IN SUSTAINABILITY: ECOTEXTILE

At the heart of our Natural Family Woollies collection lies a commitment to style, comfort, and a deeper ethos of environmental responsibility and sustainable fashion. This commitment is brought to life through our partnership with EcoTextile, China/HempValley, Denmark, our long-time manufacturer, whose practices are a testament to sustainable and socially responsible fashion.

EXPERTISE & DEDICATION

With a management team rooted in Europe and boasting nearly 20 years of experience in the natural fiber garment sector, EcoTextile blends traditional craftsmanship with a nuanced understanding of modern sustainability and social responsibility demands. This understanding ensures that the majority of all production focuses on natural fibers, recycled polyester, or other eco-friendly materials, such as soy.

SAFETY & STANDARDS

EcoTextile adheres to the highest standards of product safety, as evidenced by their commitment to the Class I OEKO-TEX® 100 certification for our Natural Woollies Collection, the most stringent category within the OEKO-TEX® standards. This certification guarantees that every component of our Woollies garments, from the thread to the buttons, is free from harmful substances and is safe for direct contact with the sensitive skin of babies and young children. Recognizing the critical importance of safety in fabric dyes, EcoTextile collaborates exclusively with dye houses certified for their non-use of harmful substances, a claim backed by rigorous lab tests conducted by SGS.

SOCIAL RESPONSIBILITY

Achieving a significant milestone in 2008, EcoTextile obtained the certification to process and market textiles in accordance with the Global Organic Textile Standard (GOTS), setting itself apart as one of the few sewing operations with this certification in China. Our manufacturer ensures ethical work conditions in line with international labour standards by ILO. Key aspects include voluntary employment, the right to collective bargaining, no child labor, non-discrimination, health and safety measures, fair wages, and regulated working hours, underlining a deep commitment to social responsibility and the rights of workers.

SHARED VISION

Together with EcoTextile, we are proud to offer you this Natural Woollies Collection with our shared vision for a more sustainable, responsible, and environmentally conscious approach to slow fashion. Our collaboration celebrates a shared aspiration for textile manufacturing that honors both the planet and its people. Join us in wearing not just a brand, but a promise to future generations, providing clothing that you and your children can trust and feel good about wearing.

Natural Family Woollies Collection 2025–2026

ROOTED IN NATURE, DESIGNED FOR LIFE

Introducing the Colours of 2025/2026

Designing a collection like this isn't just about choosing pretty colours—it's about finding shades that truly work for family life. As a designer with three children and two big dogs, Bettina Lindblom knows that clothing needs to keep up with everyday adventures—whether that means climbing trees, racing through muddy fields, or simply making it out the door without a last-minute wardrobe change.

The Natural Family Woollies Collection 2025/2026 is filled with colours inspired by real life—the deep greens of forest walks, the rich hues of autumn leaves, the twilight glow on a winter's night. A couple of colours return as steady favourites, familiar and reliable, while new hues bring fresh energy, adding a touch of fun to even the greyest days.

These colours are designed to grow with your family, to effortlessly mix and match with each other and previous favourites, and to be loved through every season. Whether layering up for winter or adding a splash of colour for spring, these hues are suitable both for city and adventure, and the beautiful chaos of life with little ones (and furry companions too).

Bettina says:

"Because if there's one thing I've learned during the 23+ years of motherhood, it's that the best moments happen outdoors, dressed for the weather, and with a unique elephant hood with animal ears flapping in the wind."

DRIFTWOOD TAUPE

Soft as sand underfoot, yet strong like the branches that little climbers grip on their way up. Driftwood Taupe is a natural, calming neutral—warm enough to feel cosy, cool enough to stay timeless. It's the colour of well-worn wooden fences along winding paths and smooth river stones collected in tiny pockets.

Pairing ideas: Twilight Blue for a look as steady as sky meeting earth, or Wild Pomegranate for a playful, berry-kissed contrast.

GARDEN MOSS GREEN

The deep green of childhood hideouts under low-hanging branches, Garden Moss Green is grounding and full of life. It's the colour of bare knees after forest walks, of treasures found under layers of fallen leaves, of mossy rocks along secret trails.

Inspired matches: Seabreeze Teal for a fresh and airy contrast, or Driftwood Taupe for a calm and timeless combination.

RED CANYON

Like sun-warmed rock and well-trodden paths, Red Canyon is earthy, grounding, and full of quiet strength. It's the colour of autumn hikes and sunlit canyon walls, of clay-rich soil after the rain, and sandstone cliffs shaped by time. Neither too bold nor too muted, it's a beautiful, natural tone that feels instantly comforting.

Pairing ideas: Garden Moss Green for an earth-meets-forest balance, or Driftwood Taupe for a soft, timeless look that feels like home.

WILD POMEGRANATE

Bursting with joy and just the right amount of mischief, Wild Pomegranate is the colour of little mouths eating a lot of berries, of playful energy on dark winter days. It's lively but deep enough to feel sophisticated, perfect for children and mums alike.

Pairing ideas: Seabreeze Teal for a pop of crisp contrast, or Red Canyon for a rich, warm-toned mix.

Natural Family Woollies Collection 2025–2026

SEABREEZE TEAL

Like the cool breath of the ocean on a sunny day, Seabreeze Teal is both calming and full of energy. It's for throwing stones into water just to watch the ripples, for tiny toes dipping into deep, icy lakes. A really gender-neutral favourite that feels both fresh and timeless.

Standout combinations: Rich Amber for a glowing, golden contrast, or Foggy Black for a crisp, modern pairing.

RICH AMBER

The golden flicker of candlelight on a winter's evening, Rich Amber is cosy, nostalgic, and effortlessly stylish. It's the warmth of woolly mittens gripping a hot drink, the glow of autumn leaves before they crunch underfoot.

Rich pairings: Garden Moss Green for a woodland-inspired look, or Twilight Blue for contrast with a hint of mystery.

TWILIGHT BLUE

Deep, steady, and full of quiet wonder, Twilight Blue is the colour of watching the stars come out, bundled up against the chill. A classic, grounding shade that's calm yet never dull, ready to be layered and loved through every season.

Dreamy pairings: Driftwood Taupe for an effortlessly wearable combo, or Red Canyon for a moody, adventure-inspired contrast.

FOGGY BLACK

(continuing colour, mainly for accessories and MaM/MaD items)

Foggy Black never truly left—it's the foundation of adult clothing and a bestseller for accessories. Not just any black, it has both softness and depth, making it easy to pair with everything while adding a gentle sophistication.

Unlimited styling: Pairs effortlessly with every colour—letting bold tones shine or adding depth to softer hues.

MANYMONTHS® NATURAL WOOLLIES MELANGE FABRICS

★ WHAT MAKES MELANGE FABRICS SPECIAL?

ManyMonths melange wool rib is made by blending different coloured fibres before spinning them into yarn. This technique creates a rich, multi-tonal effect with natural depth and variation.

🧶 EXCLUSIVE TO MANYMONTHS

The melange wool rib is custom-developed exclusively for ManyMonths. Designed for slow fashion wardrobes, it features unique colours and pairs beautifully with previous collections, allowing for easy mix-and-match outfits.

☀️ LOOKS DIFFERENT IN CHANGING LIGHT

The colour tones in melange fabrics react to lighting conditions, appearing brighter in sunlight and softer indoors or on cloudy days. This gives the fabric a natural, dynamic look that adapts to its surroundings.

🌿 INSPIRED BY NATURE

Just like the shifting tones of the sky, forests, and earth, melange hues blend beautifully with their environment, making them a timeless and versatile choice.

👉 PRACTICAL FOR EVERYDAY WEAR

- ☑️ Stain-concealing: The blended colours help hide small stains better than solid fabrics.
- ☑️ Long-lasting appearance: The texture and mix of fibres minimise visible wear over time.

🛡️ A DURABLE AND FUNCTIONAL CHOICE

Melange fabrics offer a subtle yet practical alternative to solid colours, combining visual interest with everyday functionality. They are an element of the ManyMonths commitment to sustainable and long-lasting design, created to be worn and loved through multiple seasons.

✦ Note on ManyMonths Drawings

The ManyMonths drawings on this page showcase the melange effect of our fabrics. In the full catalogue, this detail is not visible to keep the PDF size manageable and easy to share and download.

MANYMONTHS® NATURAL WOOLLIES BABY JOGGERS

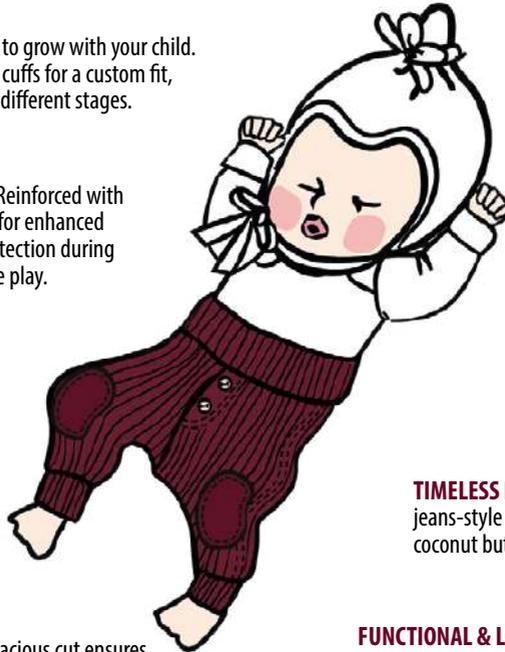

ADJUSTABLE FIT – Designed to grow with your child. Adjustable waist and foldable cuffs for a custom fit, extending wear time through different stages.

DURABLE KNEE PATCHES – Reinforced with a hemp/organic cotton blend for enhanced durability, providing extra protection during crawling, exploring, and active play.

YEAR-ROUND COMFORT

– Breathable merino wool naturally regulates temperature, keeping little ones warm in cooler seasons and comfortable on milder days.

ROOMY & FLEXIBLE – The spacious cut ensures freedom of movement and accommodates also cloth nappies with ease, making it a practical choice for everyday wear and babywearing.

ADDITIONAL INFO –

Newborns, toddlers, and young children lack body fat and have a smaller body size, making them susceptible to losing heat or overheating. They need help with regulating their body temperature. The ideal solution is to use natural woollens, and when it is windy outdoors, to add something that offers shelter from the wind chill.

TIMELESS DETAILS – Decorative jeans-style stitching and natural coconut buttons add a classic touch.

FUNCTIONAL & LONG-LASTING –

A thoughtful design that combines comfort, durability, and adjustability, making these joggers a trusted choice.

MANYMONTHS® NATURAL WOOLLIES BODY/SHIRT LONG SLEEVE (IP*)

* innovation patented

Bestselling ManyMonths item that's been in the assortment from the start – almost 20 years

UNIQUE 2-IN-1 DESIGN – A truly distinctive innovation. Wear as a bodysuit or as a shirt by detaching the bottom part, making it a versatile and long-lasting essential.

TIMELESS MANYMONTHS ESSENTIAL – A truly one-of-a-kind design, perfect for layering, everyday wear, and maximum comfort.

YEAR-ROUND COMFORT – Breathable merino wool naturally regulates temperature. Maintaining core warmth is essential for babies, as it supports healthy growth, sleep, and overall well-being.

FUNCTIONAL DETAILS – A removable bottom piece simplifies nappy changes, and in case of nappy leaks, it is easy to wash separately or swap for another one.

ADJUSTABLE FIT – Two rows of durable sewn-on snap tape buttons and foldable cuffs provide size flexibility, extending wear time as the child grows.

My favorites are the Natural Woollies Body/Shirts. They are so versatile and wearing this first layer of wool really helps the baby regulate the temperature. It's perfect to avoid excessive clothes in our weather here in Portugal.

MANYMONTHS® NATURAL WOOLLIES KIMONO BODY/SHIRT WITH FOLDOVER SLEEVES

GENTLE WARMTH FOR BABIES –

Thoughtfully designed with a double-layered tummy part for optimal temperature regulation and a well-covered chest to keep tiny bodies warm.

SCIENTIFICALLY-BACKED

THERMOREGULATION – Babies have an immature temperature regulation system and lose heat quickly, which can lead to cold stress. Keeping the core warm helps conserve energy for growth, stabilises body temperature, and promotes better sleep and overall well-being. Merino wool naturally regulates heat and moisture, reducing the risk of both hypothermia and overheating.

FOLDOVER SLEEVES FOR ADDED

COMFORT – Acts as built-in mittens to keep little hands warm and protected.

A favourite first year outfit — warm, adjustable, and as gentle as a hug.

ManyMonths Natural Woollies Kimono Body/Shirt with Foldover Sleeves is a delightful and easy-to-wear garment, perfect as a newborn's first outfit. Absolutely love it! The foldover sleeves and adjustable body make it easy to fit even the tiniest babies.

– Ruut, mum of three, Finland

ADJUSTABLE FOR LONGER WEAR –

Width and height can be adjusted to grow with our babies.

VERSATILE 2-IN-1 DESIGN –

The bottom part can be removed, allowing the upper part to be used separately as a wool cardigan.

EASY TO PUT ON & TAKE OFF –

Kimono-style opening ensures quick and gentle dressing, making it a practical choice for both parents and babies.

MANYMONTHS® NATURAL WOOLLIES MULTICAPE

A TRUSTED FAVOURITE FOR INDEPENDENT TODDLERS – Evenings, mornings—the moments when nothing else feels right, this is the go-to piece. Soft, comforting, and easy to throw on, giving your child a sense of independence and security. The minimalistic design makes it one of the first garments children can put on by themselves.

VERSATILE & MULTI-SEASONAL – Works as an extra layer over everyday outfits, adding warmth without bulk. Perfect for chilly mornings and evenings, or cosying up indoors.

LOVELY FOR PLAY & ROLE PLAY – Inspires imaginative adventures! Transforms effortlessly into a royal cloak, a wizard's robe, a superhero cape, a gallant knight's mantle, a fairy tale princess's gown, a medieval tunic, or even a wise old sage's cloak. Perfect for storytelling, dress-up games, and magical make-believe.

NATURALLY TEMPERATURE-REGULATING – Made from pure merino wool, which helps maintain an ideal body temperature by keeping warmth in when it's cold and releasing excess heat when it's warm.

GREAT FOR BABYWEARING TOO –

A comfortable extra layer for little ones in a carrier. Provides warmth without excess bulk, keeping arms free for movement and exploration.

COMFORTABLE & FREEDOM TO MOVE – The loose, flowing cut allows full range of motion, making it great for active play and layering over different outfits.

SELF-CLEANING PROPERTIES – Wear often, wash seldom. Wool's natural antibacterial qualities keep it fresh longer—just air it out to refresh.

Pinzo spent her first year wearing a wonderful One Piece Suit with a zipper. I remember my mother asking if Pinzo didn't have any other clothes. Of course, she did, but this one was easy to throw on over other clothes in any weather.

– Jansku and Tuke, parents of 1-year-old Pinzo, Spain

ADJUSTABLE FIT – Features double waist loops for height adjustment and an adjustable belt made of hemp/organic cotton for a snug or relaxed fit.

One of those pieces that becomes a part of childhood memories—wrapped up warm for a winter nap, babywearing outdoors in crisp air, or cuddling on the sofa after a day of adventures.

GREAT FOR DAY & NIGHT – In many families, the One Piece Suit is worn at night for cosy sleep and is also perfect for car rides, layering under a snowsuit, or keeping babies warm during pram walks.

MANYMONTHS® NATURAL WOOLLIES PULLOVER WITH ELBOW PATCHES

TIMELESS & COMFORTABLE DESIGN

— A warm and durable classic pullover designed for everyday wear, with a relaxed fit that allows freedom of movement.

ADJUSTABLE GROW-ALONG STYLE

— Long foldable cuffs make it easy to adjust the sleeve length as your child grows, extending its use across multiple seasons. Looks great oversized at first, growing into the perfect fit over time.

PRACTICAL & COSY FEATURES — The comfortable rib collar and raglan sleeves ensure a great fit, while the wide double rib at the hem helps keep the cold out and gives the pullover a classic silhouette.

"I absolutely love the Pullover with Elbow Patches, it's so warm, just a classic in any wardrobe."

-Sammy, Germany

EXTRA DURABILITY WITH ELBOW PATCHES

— Protective hemp/organic cotton elbow patches add strength in key areas, making this pullover a trusted favourite for active children. A signature detail that blends durability with timeless style.

PURE MERINO WOOL BENEFITS

— Naturally temperature-regulating, breathable, and moisture-wicking, keeping children warm without overheating.

"With kids who are 10, almost 8 and 3 (the youngest two are boys) I love the Pullover with Elbow Patches, they wear them a lot! And they wear your Leggings with Knee Patches too!"

-Isabel, the Netherlands

The kind of pullover that gets passed down—soft, strong, and filled with stories of climbing trees, chilly morning walks, and warm hugs on cold days.

MANYMONTHS® NATURAL WOOLLIES *REVERSIBLE* SHORTIES DOUBLE LAYERS

BREATHABLE & TEMPERATURE-REGULATING – Unlike synthetic materials, merino wool naturally regulates body temperature, keeping babies cool in summer and warm in winter. Allows air circulation to prevent overheating.

MOISTURE-WICKING & LEAK-RESISTANT – Wool absorbs up to 30% of its weight in moisture without feeling wet, helping to keep nappies dry longer while preventing leaks. A perfect balance of breathability and protection.

CERTIFIED SAFE & NON-TOXIC – Made from our special, expedition-weight merino wool rib, which is Oeko-Tex 100, Class I certified and tested for harmful substances, ensuring safety for your baby's skin.

SIZES:

Charmer
Explorer
Adventurer Plus

COLOURS:

Rich Amber/Driftwood Taupe
Twilight Blue/Foggy Black
Garden Moss Green/Seabreeze Teal
Wild Pomegranate/Red Canyon

ODOUR-RESISTANT & LOW-MAINTENANCE – Naturally antibacterial and odour-resistant, meaning fewer washes are needed compared to synthetic covers that develop smells quickly.

SOFT, FLEXIBLE & GENTLE ON SKIN – No plastic feel, no sweaty discomfort — just soft, stretchy, and breathable, pure wool that adapts to your baby's movements and protects delicate skin.

ECO-FRIENDLY & NATURALLY BIODEGRADABLE – Free from microplastics and synthetic waterproof coatings, making it a conscious choice for both your baby and the planet.

PERFECT FOR CLOTH NAPPIES, DAY & NIGHT – High-waisted, optimised for nappies, and fully reversible for extended wear. Works as a breathable nappy cover all year round or as a leak-resistant extra layer overnight.

MANYMONTHS® NATURAL WOOLLIES ROMPER PLAYSUIT WITH FULL-LENGTH LEGS, KNEE PATCHES, AND FOLDABLE CUFFS

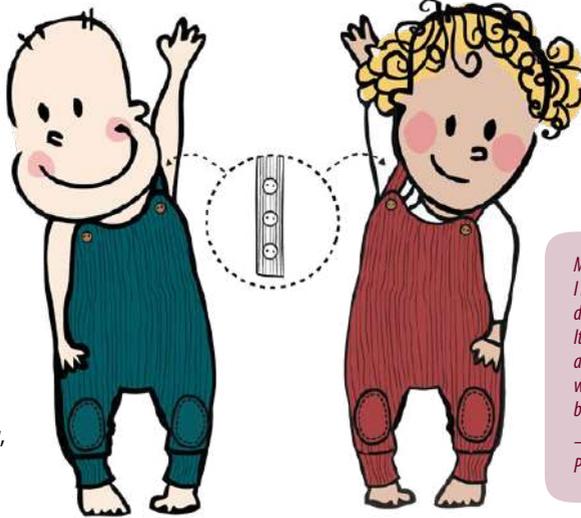

TRADITIONAL NORDIC BABYWEAR – A stretchy and comfortable playsuit that keeps the entire body warm while allowing freedom of movement.

PURE MERINO WOOL BENEFITS
– Naturally temperature-regulating, breathable, and moisture-wicking, keeping little ones comfortable in all seasons.

ALSO AVAILABLE IN A ECO HEMPIES VERSION – Made from breathable hemp/organic cotton, ideal for warmer weather while maintaining durability and comfort.

EXCEPTIONALLY LONG-LASTING FIT – Features three-button adjustable shoulder straps and long, foldable cuffs, allowing for both height and leg length adjustment, significantly extending time of use.

EXTRA DURABILITY WITH KNEE PATCHES – Reinforced oval-shaped knee patches made from hemp/organic cotton jersey, offering extra protection for active crawlers and explorers.

A cosy, long-lasting playsuit made for adventures—layer it up for winter, roll up the cuffs for summer, and let it grow with your child.

My favorite is the Romper Playsuit! I love it because it fits over cloth diapers and grows with the child. It's my must-have for newborn and toddler. I like to put it on when we go outside in the baby carrier because it covers the back.

MaM® Natural Woollies Collection 2025–2026

MAM® NATURAL WOOLLIES MULTITUBE ADJUSTABLE SKIRT, TUBE TOP, BELLY BAND, BACK WARMER & INFINITY SCARF

MULTIFUNCTIONAL & TIMELESS – A wardrobe essential with endless styling possibilities: wear it as a skirt, tube top, belly band, back warmer, or an infinity scarf. Designed to adapt to different needs and seasons.

EXTRA WARMTH WHEN NEEDED – Layer over leggings or joggers on cold days, or even over jeans to keep the lower back and core warm when outdoors. Fold it double to protect nursing breasts from the cold.

REMOVABLE ELASTIC – The elastic band is fully removable, allowing for different styling options and a personalised fit.

COMFORT BEYOND CLOTHING – Warmth is soothing for sensitive backs during colder seasons. We've even heard of it being used rolled up as a wrist support at the computer when home-office days get extra long.

PURE MERINO WOOL BENEFITS – Naturally temperature-regulating, breathable, and moisture-wicking — keeping you comfortable in all seasons.

PREGNANCY & POSTPARTUM ESSENTIAL – Covers the gap when shirts ride up and trousers don't fit all the way around, while offering important thermoregulatory warmth. Grows with your changing body.

ADJUSTABLE UPPER HEM – Customise the fit with an easily adjustable top hem for maximum comfort and adaptability.

LONG-TIME FAVOURITE – A trusted ManyMonths & MaM® favourite, loved for its durability, softness, and multifunctional design.

A piece that changes with you — wear it your way, every day.
